Report of Principal and School Improvement Council

R. Earle Davis Elementary School provided 435 students with multiple opportunities to achieve high levels of learning through the use of technology and a challenging curriculum. Our focus for 2009-2010 was to "make instruction culturally relevant" and this was accomplished by creating classroom environments which incorporated an understanding and respect for cultural differences and learning styles.

We continued our journey toward being a Professional Learning Community (PLC) by providing daily common planning time and school-wide PLC meetings once per month and one day per week was dedicated to analyzing data by grade level. Measures of Academic Progress(MAP), Compass Learning, and Headsprout software was used to determine student growth and areas of weakness in both reading and math.

Technology integration was maintained by the addition of Apple i-touch handheld devices for fifth-grade students, a technology coach, and Mac laptops for teachers. The Students and Technology Achieving Results (STAR) program was used to accelerate computer literacy during early morning instruction.

Habits of the Mind (HOM) was introduced to help our students focus on acceptable behaviors at school that are developmentally appropriate.

Our PTO and SIC continue to be an integral part of our school by supporting our behavioral and academic expectations. We appreciate your support as we continue to strive toward developing proficient learners and effective decision-makers in a culturally diverse community.

Dr. Wanda C. Whatley, Principal
Mrs. Lori Fanning, SIC Chairperson
